

Coast Soccer League Assignment Instructions

Fellow referees:

The CSL season starts September 10, 2011. LBSRA has honored Ardy Saeidi and Lee Harmon with the responsibility for assigning CSL games this season. Please be prepared and send us your availability on both days (Saturday and Sunday), AM or PM if you are interested in doing CSL games this season.

This is a very important fall activity for our association. In order to maintain and improve our reputation we are looking for those committed, responsible, and available referees.

You can start by sending us your general availability now. Email your availability to cslgames@lbsra.com

- **We will ask for your availability, then assign you, then you must accept your schedule within 24 hrs otherwise you will be replaced. All assignments will be done online!**
- One of you will be asked to collect all Match Reports. DO NOT MAIL TO COAST SOCCER. Mail them to the following address:
Ardy Saeidi
1350 Parkside Dr
West Covina, CA 91792.

Failure to mail the Match Reports within 24 hrs, you will be charged \$25.

- Please be aware, prepared, apply the laws of the game and GAMESMANSHIP, no silly cards. Rely on your assistants to control the touchline and avoid confrontation.
- If you have to send off a player or coach, complete a Supplementary Report and mail it directly to Coast Soccer. If the send off is for Violent Conduct or Referee Abuse please send ID Cards and the Supplemental report to Cal South with a copy of the report to Coast Soccer. Addresses will be listed on the website (LBSRA.COM). In all cases please keep a copy of the report for yourself and notify Ardy or Lee that same day.
- In case of NO Show (one or both team didn't show) DO NOT COLLECT ANY FEES, email us complete information; date, age, time, field and names of the team(s).
- If any of your partners don't show, immediately call Ardy Saedi or Lee Harmon. Pick a club linesman (who will indicate the ball out of play only) to proceed with the game until the replacement arrives.
- Make sure at the end of the match to return the teams player ID's, otherwise you MUST drive to the coaches home and make a hand delivery on the NEXT DAY.
- AM shift referees, please DO NOT leave the field until your replacements arrive.
